## Message ..

By Dr. Bushra Mujahid- Principal

**"Education is the most powerful weapon which you can use to change the world."**

( Nelson Mandela )

Education is the manifestation of love and my most cherished possession. Education drives away ignorance and through illumination it emboldens a man to a righteous thought and action. It empowers a woman and enlarges the horizon of her mind. It energizes a society and enables a man to earn his living with respect and praise.

Another successful college session came and gone. Our students continue to make me proud as they excel not only in academics but also in extracurricular activities. Our teachers are putting their best efforts for the education and training of the students. May ALLAH accept our efforts and bless with tremendous results in future as well.

# THE VISIT OF HONORABLE SECRETARY

He expressed his feelings and respect towards the profession of teaching and assured the staff that they would be given best incentives for their efforts. He also talked about the previous departments he worked in. He told the lecturers that how he served there ,made policies and executed them to flourish those institutions and the reforms he made in the best interest of employees.

The honorable secretary PMEIF Mr. Rana Muhammad Arif visited the college and had a meeting with the faculty. In that meeting, the faculty members introduced themselves to the secretary. On this occasion he appreciated the staff for their hard work and best results.

The faculty was enlightened by the golden words of the honorable secretary. He also added that our stay in this earthly life is temporary. A person should be sincere to make his eternal life perfect by working in this world wholeheartedly.

# DEFENCE DAY CELEBRATIONS

Students and teachers celebrated Defence Day in their classes. The purpose of the event was to inculcate the spirit of patriotism, unity and brotherhood among the students.

The highlights of the special event were national songs and speeches. Student paid tribute and homage to the nation's brave soldiers and armed forces for their courage, valour and sacrifices rendered to save the country.

# ORIENTATION DAY

## It All Starts from Day One

The administration organized an orientation session on 28th September, 2022 to address all of the questions of first year students. Prior to the commencement of classes, students received a general overview of college life covering every thing from academics to extracurricular. They were also advised where to go for any query or to report any problem. The students council and faculty members welcomed the new students and helped them find their departments.

The administration conducted orientation sessions in all departments to introduce the new students about the institution history, traditions, facilities, premises, degree programmes, faculty members and staff.

A number of current students also gave the new students advice on how to survive college life as they had already been in their position. The newcomers began making new acquaintances who would accompany them on their college journey after hearing about college life from others who had already attended.

# Teacher's Day

## C E L E B R A T I O N

**A good teacher has a significant impact on students' lives. A teacher can influence the students' career by motivating them to pursue their personal ambitions. Teachers inspire their students to work hard and develop their own paths to success.**

**Every year on 5th October people around the world honor teachers for their contributions to many people's professional development and educational advancement. Therefore an event regarding the teachers' day was arranged by the students council to honor the teachers who shaped the students' lives and guided them in the right direction.**

**In honor of the occasion students gave thank you cards to the faculty members in the college and also displayed placards to show their respect towards teachers.**

# CLEAN CAMPUS DRIVE

BY  
LAHORE WASTE & MANAGEMENT COMPANY

## Special Message

The LWMC have introduced an efficient , improved and integrated solid waste management system that caters to our growing population's requirement.

Respected Chairman Mr. Atif Chaudhary of LWMC along the honourable secretary of PMEIF Mr. Rana Muhammad Arif visited HASMD & Commerce college for the clean campus awareness Campaign among students and they also selected students as ambassadors of LWMC.

The program started with the recitation of quranic verses and Naat. our respected principal Dr. Bushra Mujahid said that

**" The cleanliness is half the faith"**

. A person should be cleaned from inside out. Inside purity is equally important as outside disinfection.

Our honorable secretary PMEIF

Mr. Rana Muhammad Arif addressed the audience. He said that cleanliness plays an important role in the progress of the country. He announced that he had formed a society in the college for maintaining cleanliness. Training of students is also very important along with education in any institution. In addition to teaching their respective subject the role of teacher is to transform their observation and experience.

Respected Chairman Mr. Atif Chaudhary of LWMC introduced himself to the audience. He worked in many national and international institutions. He told that his mission is to develop, educate and train our nation. He added that as cleanliness is half the faith so being a Muslim, we should not bear any sort of dirtiness and filth in our surroundings. He declared that Muslims have forgotten the teachings of Quran. As a result Muslims are deteriorated nation of the world. The developed countries have copied our religious standards so they are progressing day and night. we should realize this fact that without following the teaching of Islam we will be degraded in the world. Following Quran is the remedy of our dis-integration and depreciation.

# FLOOD RELIEF CAMPAIGN

The worst flooding in recent Pakistani history was caused by heavy monsoon rains, which washed away rural areas and left millions of people in need of aid. As this year's flooding and rains caused more damage than the flood of 2010, the principal Mrs. Bushra Mujahid said that these are unusual times, millions of our brethren have travelled under the open sky to a place where they urgently need our sympathy and assistance. There is a significant lack of food and medicines in affected areas which is likely to result in additional fatalities. Therefore, a flood relief camp was established in the college as per the instructions given by principal to college officials. In this regard, with the help of faculty, staff and students aid material in the form of food, medicines and clothes were gathered for the flood victims and this aid will be distributed in an open and honest manner.

"Every action, no matter how small, is like drips on a rock-over time, they can carve a canyon through even the thickest, most immovable layer of rock."

# Pakistan Floods: More than 33 Million People have been Affected

**Extremely heavy rainfall in Pakistan has resulted in catastrophic flash flooding leaving one-third of the country underwater. According to local authorities the death toll has surpassed 1,600, with over 12,500 injured and millions displaced. Described as a “climate catastrophe” by the UN Secretary General, the floods have left over 6 million people in urgent need of humanitarian aid.**

# STUDY TRIP TO FOUNTAIN HOUSE

BY PSYCHOLOGY DEPARTMENT

Fountain House is a national mental health nonprofit organization fighting to improve health, increase opportunity, and end social and economic isolation for people most impacted by mental illness. Students of HASMD & Commerce College visited the fountain house in Lahore. The staff of the fountain house and teachers ensured that every student got most out of the each visit by knowing the patients history and disease. Students also interacted with the patients.
